LUNIS—Go to Sleep—Stay Asleep

Lunis is a potent blend of natural ingredients that help you fall asleep and stay asleep. It contains:
- **Organic Passion Flower**: Reduces stress and anxiety
- **Organic hops**: Reduces stress and provides a sedative effect

**How do our additional ingredients help you catch your Z’s?**

**Organic Ashwagandha**: Assists in relieving stress, anxiety, depression, inflammation, and more.
**Melatonin**: Helps your body know that it’s time to relax and fall asleep faster.
**Valerian Root**: Helps ease anxious feelings and compulsive behaviors so you can go to sleep. It helps you achieve and maintain a longer and deeper sleep cycle.

**CBN**: Is a powerful natural Cannabinoid with twice the efficacy of Valium.

**Terpenes**: We’ve selected a precision Terpene profile designed to soothe, relax, and help you descend into sleep.

**Bioperine**: CBD doesn’t digest well once it hits your stomach. Bioperine helps your intestines increase the absorption of nutrients, known as Bio-enhancement.

**Available In**
- 1500mg, 3500mg at 25mg or 58mg dosages
